FREQUENTLY ASKED QUESTIONS

Q: What does a student's daily schedule look like?

A: "Summer Adventure" Daily Schedule

Session 1	8:00-9:00
Session 2	9:00-10:00
Session 3	10:00-11:00
Session 4	11:00-12:00

Q: Who will be teaching the classes?

A: Teaching staff will include the best possible *certified* teachers available. Teaching assistants will also be working for the program to assist our certified staff with daily activities.

Q: What happens if my child selects a course that is filled?

A: Online registration will only allow for registration if the course has availability. To best help support scheduling, please utilize the schedule guide provided to fill out **before** registering online. This guide is for your convenience, and will not be turned into the office.

NOTE: *Course enrollment will be based on a first come, first serve basis.* Some courses may be eliminated if there are an insufficient number of students enrolled, or if there are not qualified teachers available to teach them. Parents will be notified as soon as possible of any changes.

Q: When will I know what my child's summer school schedule is?

A: A copy of your child's schedule will be sent home at least two-weeks prior to the start of summer school. Online schedule will be available as soon as online registration is completed.

Q: Can my child who is entering 4K Kindergarten and 5 year old Kindergarten attend?

A: Yes! Students can enroll in our 4K and Camp Kindergarten. Students will use skills that will prepare them for a successful Kindergarten experience. Activities will include stories, music, plays, manipulatives, arts and crafts, and fun.

Q: Can out-of-district children enroll in Summer Adventure?

A: Yes! There is a tuition fee of \$75.00 per child. An out-of-district student is any student who currently resides outside the School District of Manawa. If a student, (ex: grandchild), is staying with a district resident this summer 2021, the in-district requirements are met.

Q: Will transportation be available for students to get to & from summer school?

A: Yes! The school district will be offering transportation to and from summer school. Designated pick-up points, drop-off points, and times will be established for surrounding communities. Parents will be responsible for making sure students are at those locations at the scheduled times in order to accommodate the summer school schedule. Please note, after the initial registration, it will be decided if numbers are adequate to offer this service. Locations and times will be sent out after registration.

Q: What are the attendance procedures and policies?

A: All students enrolled are asked to attend summer school on a regular basis. Emergencies and illness should call the school offices and make us aware of the situation by at least 9:00 a.m. daily if at all possible. Elementary School Office (920) 596-5700 High School Office (920) 596-5800

Q: Does my student need to bring school supplies?

A: Most supplies will be furnished by the School District of Manawa. In the event special supplies are needed or there are additional fees, it will be noted in the description of the coursework. Students should **NOT** bring items such as toys, video games, etc. to summer school.

Q: What should my student wear to summer school/is there a dress code?

A: We understand that the weather will likely be warm in June and July; therefore we expect that our students will come to summer school dressed casually and comfortably. However, all students are required to dress per school district dress code. Students will be required to wear shoes at all times. Hats will not be allowed inside the buildings, but may be worn for outside activities. Please note that some courses and, or activities may require students to dress in a particular fashion. You will be notified in advance if this applies (i.e. – Outdoor Adventure in the woods, swimming, etc.).

Q: Is there a student code of conduct? Can my student be removed from summer school?

A: Yes! The same rules and regulations regarding student conduct for the regular school year will apply for summer school as well. Students who misbehave will be disciplined in a reasonable manner and parents will be notified. Students who cause excessive disciplinary problems may not be invited back to summer school in extreme circumstances. Refunds will not be granted in these circumstances.

Q: Will the Sturm Memorial Public Library Summer Reading Program be affiliated with summer school?

A: Yes! Students are strongly encouraged to visit the public library and participate in summer programming. For more information please contact Lyn Hokenstad at 596-2252.

SWIMMING PROGRAM
IOLA-SCANDINAVIA FITNESS & AQUATIC CENTER
&
The Manawa Summer School Program

SWIMMING SESSION: June 6th-June 24th, 2022, Monday & Wednesday, Six day lesson schedule. (TBD)

A qualified teacher will accompany the students to the pool. Certified swimming instructors hired by the Iola Aquatic Center will provide the instruction. Students will still be able to return to the elementary school for the remainder of their Summer School Programming on lesson days.

Book Club

Grades 3-5

15 days

1 hour/day

Two Possible Options:

1. *Flora & Ulysses* by Kate DiCamillo

Summary: It begins, as the best superhero stories do, with a tragic accident that has unexpected consequences. The squirrel never saw the vacuum cleaner coming, but self-described cynic Flora Belle Buckman, who has read every issue of the comic book *Terrible Things Can Happen to You!*, is just the right person to step in and save him. What neither can predict is that Ulysses (the squirrel) has been born anew, with powers of strength, flight, and misspelled poetry — and that Flora will be changed too, as she discovers the possibility of hope and the promise of a capacious heart.

Book Cost: \$7.69 for paperback on Amazon

Teacher's Guide: https://www.candlewick.com/book_files/076366040X.btg.1.pdf

2. *The Mysterious Benedict Society* by Trenton Lee Stewart

Summary: "Are you a gifted child looking for special opportunities?" Dozens of children respond to this peculiar ad in the newspaper and are then put through a series of mind-bending tests, which readers take along with them. Only four children--two boys and two girls--succeed. Their challenge: to go on a secret mission that only the most intelligent and inventive children could complete. To accomplish it they will have to go undercover at the Learning Institute for the Very Enlightened, where the only rule is that there are no rules. But what they'll find in the hidden underground tunnels of the school is more than your average school supplies. So, if you're gifted, creative, or happen to know Morse Code, they could probably use your help.

Students will then build a foundation for effective argumentation and advocacy (claim/warrant/evidence) by participating in debates and ultimately presenting one research-based persuasive speech. Special emphasis will be placed on critical thinking and listening skills as well as argument resolution. This class is ultimately for students who want to explore debate in a noncompetitive environment but may choose to participate in the debate team next school year or later in their high school experience. Or for students who simply want to become more comfortable in front of an audience. Speech events sharpen speaking and/or acting skills. Students are required to perform in class and be willing to publicly speak. (Max of 4 students.)

Department of Natural Resources - Hunter Safety DATES TO BE DETERMINED

9:00-12:00 3hrs /day

(Recommended Age 12 by hunting season to adult)

This Hunter's Education course will instill in students the knowledge, skill and attitude to be a responsible and safe hunter. Students will learn how hunting accidents are caused and how they can be prevented. Hunter responsibility and safety are stressed throughout the classes, which consist of lectures, demonstrations, group discussions, practical exercises, and individual study and activity assignments. This course will be taught by DNR certified instructors. This course will cover state hunter safety requirements and is a requirement for hunting license purchasing. Certification will be issued after the satisfactory completion of this course.

Fee: \$10.00 (collected first day of class). Students younger than 12 may take the class. Those that meet the course requirements will receive a safety education completion certificate. However, it should be noted that persons younger than 12 may lose some of the benefits of the certification (small game hunting privilege, authorization to shoot an antlerless deer during the first gun deer season after graduation) if they take the class sooner than age 12. The DNR encourages people to wait until they turn 12 within 6 months of completion of the course before taking it.

All-District Musical Theater
All grades
12:30-3:30 M-F
15 Days

“The Story of Hansel and Gretel”

All students completing grades K-12 are invited to participate in the summer school musical. This year we will be presenting the musical “The Story of Hansel and Gretel.” Students may participate onstage or in the crew. Please note which area the student will prefer.

Basic Information: Rehearsals run from 12:30 to 3:30 Monday-Friday. If students are in summer classes at the elementary school in the morning, they will walk with a chaperone from the elementary school to the high school stage area. They will eat lunch together and then rehearsal will begin.

Students will receive suggestions for costuming once their role is selected by the director.

The cast will perform for the public Friday, June 24 (7 pm) and Saturday June 25 (2 pm) following summer school. **Please be sure that your child is available for those dates before signing up for the class.**

Crew and cast will help with the props, costumes, sets, and other elements of theater. **We will need parent volunteers for each dress rehearsal (June 20, 21, 22, 23, 24) and performance** to sit with the children offstage. Please sign up on the theater class form if you are able to help.

Book Club

Grades 3-5

15 days

1 hour/day

Two Possible Options:

1. *Flora & Ulysses* by Kate DiCamillo

Summary: It begins, as the best superhero stories do, with a tragic accident that has unexpected consequences. The squirrel never saw the vacuum cleaner coming, but self-described cynic Flora Belle Buckman, who has read every issue of the comic book *Terrible Things Can Happen to You!*, is just the right person to step in and save him. What neither can predict is that Ulysses (the squirrel) has been born anew, with powers of strength, flight, and misspelled poetry — and that Flora will be changed too, as she discovers the possibility of hope and the promise of a capacious heart.

Book Cost: \$7.69 for paperback on Amazon

Teacher's Guide: https://www.candlewick.com/book_files/076366040X.btg.1.pdf

2. *The Mysterious Benedict Society* by Trenton Lee Stewart

Summary: "Are you a gifted child looking for special opportunities?" Dozens of children respond to this peculiar ad in the newspaper and are then put through a series of mind-bending tests, which readers take along with them. Only four children--two boys and two girls--succeed. Their challenge: to go on a secret mission that only the most intelligent and inventive children could complete. To accomplish it they will have to go undercover at the Learning Institute for the Very Enlightened, where the only rule is that there are no

rules. But what they'll find in the hidden underground tunnels of the school is more than your average school supplies. So, if you're gifted, creative, or happen to know Morse Code, they could probably use your help.

Middle School can be a time of great stress as students navigate changing classes, new friendships, new activities, and new workloads. Students will gain insight into why fighting stress is an important life school as they explore a bunch of different coping strategies to combat stress. Strategies will include physical exercise, meditation, games, laughter, thought restructuring, cooking, reading, music, movies, and more!

Stress Busting Skills for High School Students

Grades 9-12

15 days

2 hours/day

High School can be a time of great stress as students navigate tougher classes, increased workload, jobs, activities, friends, new relationships, and future planning. High School students will learn why fighting stress is important to learn for a lifetime! Strategies explored include physical exercise, meditation, games, comedy, cognitive exercises, hobbies, reading, music, movies, and more!

Transition to Middle School

Grade 6

Days and Time TBD-Typically End of August

8-10am OR 12-2pm

Students will have an opportunity to practice opening their lockers with combinations, finding their classes, and discussing organizational skills for middle school. These classes will take place in 2 hour sessions, and students need to only register for one session.

New Student Orientation for High School and Incoming St. Paul's 9th Graders

Grade 9

TBD Typically end of August

8-10am OR 12-2pm

Students will have an opportunity to practice opening their lockers with combinations, finding their classes, and discussing organizational skills for high school success. These classes will take place in 2 hour sessions, and students need to only register for one session.

Speech and Debate

Grades 9-12

15 days

2 hrs/day

This is a competitive performance class. Debate teaches students how to participate in the rational exchange of ideas and arguments as they relate to significant social issues and some irrelevant nonsense. Students will initially learn about and practice structured extemporaneous speeches with emphasis on verbal and nonverbal delivery skills (organization, projection, inflection, eye-contact, hand gestures, and more). Students will then build a foundation for effective argumentation and advocacy (claim/warrant/evidence) by participating in debates and ultimately presenting one research-based persuasive speech. Special emphasis will be placed on critical thinking and listening skills as well as argument resolution. This class is ultimately for students who want to explore debate in a noncompetitive environment but may choose to participate in the debate team next school year or later in their high school experience. Or for students who simply want to become more comfortable in front of an audience. Speech events sharpen speaking and/or acting skills. Students are required to perform in class and be willing to publicly speak. (Max of 4 students.)

United States History 1980-Present

Grades 9-10

15 Days

2 hours per day

United States History 1980-Present provides students an opportunity to explore the social, economic, cultural, political, military, and legal history of the last 40 years in the United States. Topics include but are not limited to the Rise of Reagan and New Conservatism, the End of the Cold War, the Persian Gulf, the Clinton Years, September 11th and the War of Terror, 2008 Financial Crisis, the Elections of Barack Obama, Donald Trump, and Joe Biden. Activities will include class discussion and presentations, film and document analysis. Heavy emphasis will be placed on analysis of information and class participation.

Department of Natural Resources - Hunter Safety DATES TO BE DETERMINED

9:00-12:00 3hrs /day

(Recommended Age 12 by hunting season to adult)

This Hunter's Education course will instill in students the knowledge, skill and attitude to be a responsible and safe hunter. Students will learn how hunting accidents are caused and how they can be prevented. Hunter responsibility and safety are stressed throughout the classes, which consist of lectures, demonstrations, group discussions, practical exercises, and individual study and activity assignments. This course will be taught by DNR certified instructors. This course will cover state hunter safety requirements and is a requirement for hunting license purchasing. Certification will be issued after the satisfactory completion of this course.

Fee: \$10.00 (collected first day of class). Students younger than 12 may take the class. Those that meet the course requirements will receive a safety education completion certificate. However, it should be noted that persons younger than 12 may lose some of the benefits of the certification (small game hunting privilege, authorization to shoot an antlerless deer during the first gun deer season after graduation) if they take the class sooner than age 12. The DNR encourages people to wait until they turn 12 within 6 months of completion of the course before taking it.

All-District Musical Theater
All grades
12:30-3:30 M-F
15 Days

“The Story of Hansel and Gretel”

All students completing grades K-12 are invited to participate in the summer school musical. This year we will be presenting the musical “The Story of Hansel and Gretel.” Students may participate onstage or in the crew. Please note which area the student will prefer.

Basic Information: Rehearsals run from 12:30 to 3:30 Monday-Friday. If students are in summer classes at the elementary school in the morning, they will walk with a chaperone from the elementary school to the high school stage area. They will eat lunch together and then rehearsal will begin.

Students will receive suggestions for costuming once their role is selected by the director.

The cast will perform for the public Friday, June 24 (7 pm) and Saturday June 25 (2 pm) following summer school. **Please be sure that your child is available for those dates before signing up for the class.**

Crew and cast will help with the props, costumes, sets, and other elements of theater. **We will need parent volunteers for each dress rehearsal (June 20, 21, 22, 23, 24) and performance** to sit with the children offstage. Please sign up on the theater class form if you are able to help.

Dear Administrators:

We are excited to share that all public and independent charter schools will soon have access to increased funding to help build a comprehensive school mental health system: a continuum of services and supports to promote student and staff mental health through our *Get Kids Ahead Initiative*.

In recognition of stakeholder feedback and the range of capacities and needs across Wisconsin schools, we know there is no “one size fits all” solution to improving student access to mental health services, and that any increased funding needs to be awarded through a streamlined process.

The *Get Kids Ahead Initiative* is not a competitive grant program. All public school districts and independent charter schools are eligible, and each district will receive a per-pupil allocation ranging from the minimum award of \$10,000 to much higher awards for districts with large student populations. To access the funding, districts will need to sign a form to opt into the program and to attest that the funds will be used for allowable purposes.

As the program is designed to address systemic challenges that schools encounter, promoting wellbeing and building a proactive system that serves all students, these funds include many allowable mental health related activities, including the following:

- Training for staff in mental health-related programs and initiatives including Youth Mental Health First Aid, Compassion Resilience, and Trauma Sensitive Schools
- Mental Health Evidence-Based Improvement Strategies (EBIS)
- Mental Health Literacy for students and adults
- Stigma Reduction programs
- Contracting with community mental health providers, consultants, organizations, CESAs, and other experts to provide consultation, training, mentoring, and coaching
- Parent training and informational events
- Student and Family Assistance Programs
- School-employed mental health professionals accessible to all students
- Mental Health Navigators

School personnel may access the program attestation portal here: <https://wi.accessgov.com/doa-wi/Forms/Page/doa-wi/gka-app/>. Please email any questions to getmhs@dpi.wisconsin.gov. We will provide additional information about technical assistance for the *Get Kids Ahead Initiative* in late March 2022.

Thank you for all that you do to support our students.

Sincerely,

2022 WASC State Conference

Start April 03, 2022
 1:00 PM
 End April 04, 2022
 1:00 PM
 Location Kalahari Resorts & Conventions
 Wisconsin Dells, Wi

We are very excited to be planning the 2022 WASC State Conference to be **in-person** at the Kalahari Resorts & Conventions Center in Wisconsin Dells, WI. This conference has been developed with the intent to continue the development of leadership skills of the young adult leaders of Wisconsin. There is something for everyone, whether you are a JAM participant, or an SHS participant.

Both the JAM and the SHS state conferences take place over two days. Our JAM State Conference Host is Appleton Einstein Middle School and our SHS State Conference Host is Bay Port High School in Green Bay. The format for the conference will include nationally known motivational speakers, breakout groups, regional elections, competitions, entertainment, and a closing ceremony.

During each state conference the WASC sponsors a competition program. Schools may sign up for multiple competitions. Your JAM Competition Host School, Evansville J.C. McKenna Middle School,

REGISTRATION

- Participant Fee for member schools – \$80.00
- Participant Fee for non-member schools –

\$90.00

REGISTER

and your SHS Competition Host School, Brookfield Central High School, will have more details closer to April telling you how to sign up!

*****IMPORTANT:** For WASC to calculate the total payment for your group, you must enter a number of attendees when it asks for "additional guests" on the registration form. When figuring your number of "additional guests" include all the students attending AND all adults attending, **with the exception** of the one registering as the primary contact. Again, do NOT include the person filling out the registration with your total under "additional guests"; they will automatically be included in the cost of the event.

Additional information:

- There is a \$75 processing fee per school that is non-refundable.
- Room rates at the Kalahari will be \$149/room, and rooms can accommodate 4-6 students, depending on the type of room available. The cost of the room does include admission to the water park. Registration for rooms must be done separately. Here is information on how to reserve rooms:

MAKING RESERVATIONS

A dedicated website is now available for your attendees to book their hotel rooms online. Reservations can be made starting Feb 19, 2020 at this web address:

Booking Website:

TRACKING YOUR EVENT

We are providing an online dashboard for the event so you can view reservations, run reports, monitor critical stats and more at your convenience:

[Event Dashboard](#)

Per the policy at Kalahari Resorts, they **do not accept** completed Letters of Authorization forms, Tax Exemption forms, nor Purchase Orders to be submitted to us **at the hotel check-in**. They have a dedicated team that approves these forms to ensure validity prior to attachment to the reservations prior to check-in. These forms should be submitted no later than 7 days in advanced to us at dellscallcenterfax@kalahariresorts.com or fax them to [608-254-6116](tel:608-254-6116). We highly suggest that the attendees submit these forms at minimum two weeks in advanced prior to the hotel check in so our team can process them in a timely manner. Failure to follow this procedure may result in full room and tax charges to the attendees on their personal cards; since our Front Desk will not accept these forms at check-in. If you have any questions at all, attached is a link to the Kalahari website that will bring you to our general policy page for the entire resort, which explains our policies in full detail. What Do We Notice?

- SDM students peak at an average of 29% of the student body receiving at least one D at Mid-Term 2 with a decline to 18% by the conclusion of the 1st semester.
- SDM students peak at an average of 21% of the student body receiving at least one F at Mid-Term 2 with a decline to 6% by the conclusion of the 1st semester.
- SDM grading in Math and ELA is not aligned with how students are performing on Wisconsin State Standardized Tests.

Grade Point Average Information:

- A student earning a D- in all required classes (24 credits) to graduate would calculate a .67 GPA.
- In theory, depending on the possible mixtures of Pass-Fail classes integrated into the number of credits to graduate, the range could be between 0.0 and .57 for a GPA to graduate.
- No CWC school has a policy requiring a minimum GPA to graduate.

What is being done to improve student learning?

- Focus on literacy and numeracy (5-year continuous improvement plan)
- Data-driven decision-making. The D/F list is one source of data for determining interventions. It cannot be the sole determining factor when placing students for RtI. A letter grade does not fully describe a potential learning deficiency. Is the grade resultant of a skill deficit or a performance deficit?
- Continued state assessment test prep using PreACT and STAR scores to address individualized student needs.
- Mock ACT Test Feb. 8, followed up with ACT Prep during RtI.
- (2022-2023) Dedicated literacy and numeracy resource periods for qualified students in the lower quartile and responding with individualized RtI plans.

Re: Spring Testing - ACT Aspire/Forward Protocol 2022

Proposal: The purpose of this memo is to request permission for the 11th and 12th-grade students to attend asynchronously on Thursday, April 12, 2022, during the administration of the ACT Aspire exam to this year's freshman and sophomore classes. The ACT Aspire is one of the state assessments that factors into the state report card. ACT Aspire Summative assesses the same four subject areas as the ACT test, plus a writing test. In addition to the ACT Aspire, 10th-grade students also take two social studies sections of the Wisconsin Forward Exam.

HS tests to be administered on Thursday, April 12, 2022:

English: 31-60 items (grade-level dependent)	40-45 minutes
Mathematics: 28-46 items (grade-level dependent)	65-75 minutes
Reading: 29-32 items (grade-level dependent)	65 minutes
Science: 33-40 items (grade-level dependent)	60 minutes

The following HS ACT Aspire/Forward assessments will be given during class time during the week of April 18-22.

Writing: 40-45 minutes	40-45 minutes
Forward Social Studies - HS Sophomores - 2 sessions	35 minutes each

Middle school students would stay within the Middle School Suite for instruction and assessment. The Wisconsin Forward Exam will also be administered to students the week of April 11-14.

This proposal reduces distractions inherent in the school environment when all students are present and allows for ninth and tenth-grade students and staff to optimally focus on administering the assessment. This plan also allows for using additional proctor support from the HS Staff on April 12 for Forward testing.

Re: ACT Testing Protocol 2022

Proposal:

The purpose of this memo is to request permission to administer the ACT Plus Writing exam to this year's junior class in person at Little Wolf High School and allow for the 9th, 10th, and 12th grades to attend asynchronously on Tuesday, March 22nd, 2022. Middle school students would attend modified classes and be separated from HS students taking the exam.

History:

- Up to 2016, the ACT test was administered at Manawa Masonic Lodge.
- In 2017 and 2018, the ACT was administered at Little Wolf Jr./Sr. High School classrooms. 7th and 8th-grade students attended modified classes and were sequestered from other students taking the exam. HS students went on college and local business tours, fulfilling pieces of the Academic and Career Planning process for students. These tours are currently not an option.
- 2019, the ACT was administered at Little Wolf High School. 9th, 10th, and 12th-grade students were given assignments to be worked on from home.
- 2020, the ACT was administered at the Masonic Lodge. 7th-10th and 12th-grade students attended school in person and the following day students began virtual learning due to the Covid-19 Pandemic.
- 2021, the ACT was administered as presented in this memo without issue.

Benefits:

- Students that are not present for in-person instruction can continue with virtual asynchronous instruction. Students are accustomed to and proficient in the asynchronous model.
- Optimal (Pristine) Testing Environment - (As agreed upon by BLT).
- The student/proctor ratio is no larger than 15:1.
- Escorted hallway traffic and breaks.
- Minimized possibility for irregularities in testing.
- No hallway noise or student disruption of any kind.
- No worries about conflicting ending times due to different testing codes.

Re: Middle School State Track Meet

The Manawa Athletic Department is recommending the Middle School Track and Field Championship as an optional event for Manawa Middle School students. The Middle School Track and Field Championship will be held at Waupun Area School District on May 22, 2022. Current CWC schools that participate in this annual event include Iola-Scandinavia and Wild Rose School Districts.

Students qualify for this optional event through times posted on Athletic.net. This platform is a performance tracking and publishing website used by districts around the state of Wisconsin for track and field. Athletic.net. is required for use by the WIAA. The event is sponsored by Athletic Directors Edge, LLC or (ADE) Sports. <https://www.adesports.com/>

To be considered for the Middle School Track and Field Championship an individual, parent, coach, or school must fill out an "Intent to Enter." This generates a list of results for the Middle School Track and Field Championship committee to review to select the top student-athletes in each event. If an "Intent to Enter" is not filled out then you cannot compete in the event. Pre-registration for this event is due from the coach by May 8th. This is a non-binding registration. It just notifies the Middle School Track and Field Championship that if an athlete from your school was selected they would be interested in participating.

Parents/guardians will need to arrange transportation to and from the event as well as cover all expenses associated with student-athlete registration, travel, and any other financial obligations. Entry fees are \$10 per event entered, with a maximum of four events. Once a student-athlete has qualified and has decided to compete in the event he/she will complete a Liability Waiver provided by the event host.

Hi Melanie and Dan

I would like to talk with you sometime this week about a grant opportunity we have available.

This is a good opportunity for you to receive a complete set up for your students to receive classes. The commitment is 15% of the equipment (if we are awarded the grant).

Below is the list of options available. It is my recommendation that you choose 2 cart options. This not only allows for the 3 periods a day next year that you will have 2 simultaneous classes, but allows for expansion as well.

Although, that is just a recommendation and I'd like to discuss further what your future plans are and goals so we can choose what best suits your needs.

I'm pretty flexible this week, so please let me know what works for you.

Thanks,
Jamie

USDA Rural Utilities Service – Distance Learning & Telemedicine Grant: [Distance Education Technology Packages \(Estimate\)](#)

The RUS-DLT GRANT allows for the purchase of video conferencing equipment to deliver education between remote sites via telecommunications in real time. To participate, your school must commit to 15% of its total cost of equipment and integration if applicable.

The estimated costs, quoted on January 25, 2022, are listed below. These prices are subject to change before the grant application is final. Integration costs may apply as well.

1. [New Video Conferencing Cart](#) Mobile cart with Polycom Studio: Audio/Video USB Sound Bar, with auto track 120-degree 4K camera, USB stereo speakerphone.
