Subject: Technology Quote Change

The purpose of this memo is to notify board members and administrators to a price change in the technology quote.

The Promethean ActivPanel Nickel 75” displays were initially quoted at \$2,100 per unit. The vendor made a mistake on the quote. They should have been priced at \$3,250. CDW-G was able to work with the manufacturer to provide the display boards at a cost of \$2,300. To put this into perspective, this display board retails for over \$4,000 on other websites.

The administration team proceeded with the order to ensure the needed equipment would be ready for the first day of school.
