Re: Staff and Program Changes 2020-2021 – Phase 1

The purpose of this memo is to provide documentation as it relates to scheduling and related staff for the 2020-2021 school year.

Currently, there are 6 full-time staff members that facilitate the core subjects in 6th through 8th grade. This schedule demonstrates that the middle school could operate with 5 full-time staff members. This schedule also embeds the additional needed time for instruction in English Language Arts (ELA) that is required for the Lucy Calkins Units of Study Curriculum and provides for the equal amount of instructional time in math.

The middle school would share a common bell schedule with the high school thus creating options for students to take high school classes.
