Procedure for Identifying Incoming EL Students

- Families complete the Enrollment Form, including the Home Language Survey (HLS).
- All Home Language Surveys are sent to the EL Coordinator.
- When a language other than English is indicated, the EL Coordinator sends the Home Language Survey to building principal. Hard copy will be filed in the cumulative folder when the identification process is complete. All other Home Language Surveys are sent to building secretaries to be filed in students' cumulative folders.
- EL Coordinator researches student's cumulative folder for EL information. (i.e. previous Home Language Surveys, previous placements or servicing, previous assessments, forms written in another language, the student's previous school is not in the USA)
- EL Coordinator consults previous assessments when questionable information is found.

If a Language Proficiency Level is found:

• If a current ACCESS score of 1.0-5.9 does exist, the EL Coordinator will designate the student as requiring appropriate EL services (if a student in grades 4-12 has a current ACCESS score of 5.0-5.9 and there are school records to support academic success, the EL coordinator will proceed with the manual reclassification process).

- EL Coordinator will contact parent/guardian to review language results and EL services.
- EL Coordinator places the original copy of Parent Approval Form or Refusal of Services Form in the student's cumulative folder in the main office.
- EL Coordinator will update Skyward.
- EL Coordinator uses results from current ACCESS scores to write Language Development Plan (LDP) for appropriate services.
- The EL Coordinator will update the building principal regularly of students identified for EL services and for those students not qualifying for services.

If a Language Proficiency Level is NOT found:

- EL Coordinator contacts parents/guardians to discuss student's educational and language background either before or after screener as appropriate.
- If there is not a current ACCESS score, the EL Coordinator will conduct a WIDA MODEL (Kindergarten) or W-APT screener to determine the student's present English language proficiency level.
- Parent or guardian will meet with the EL Coordinator to review language results and EL services.
- EL Coordinator will place the original copy of Parent Approval Form or Refusal of Services Form and screener in the student's cumulative folder in the main office.
- EL Coordinator will update Skyward.
- EL Coordinator uses results from screeners or current ACCESS scores to write a Language Development Plan (LDP) for appropriate services.
- The EL coordinator will update the building principal regularly of students identified for EL services and for those students not qualifying for services.

EL Screening

Process

All new registrants who are potentially Limited English Proficient (LEP) and have no previous Language Proficiency identification will be screened. The School District of Manawa utilizes the WIDA MODEL or W-APT. The WIDA MODEL is used for Pre-K, Kindergarten and first semester 1st grade students. The W-APT assesses students in second semester 1st grade -12th grade. This screening is to be completed within 30 days if at the beginning of school in September, or 14 days after September 30. (DPI—ESEA bulletin number 07.01)

- Based on information gathered during the identification process, the EL Coordinator will screen potentially LEP students.
- The EL Coordinator will ensure the district has the necessary screening materials available.
- The EL Coordinator will be trained to administer screeners.
- Upon completion of the screener, the EL Coordinator fills out the composite score calculation.
- EL Coordinator will reference WIDA.us score calculator.
 - If the student scores below a 5.1, the student is most likely eligible for services. In some cases, more information is needed before eligibility can be determined.
 - If the student scores a 5.1 or above on the screener, it should be noted that the student is not Limited English Proficient and does not qualify for services.
- The principal is informed of the screening results.
- EL Coordinator will file all results in Skyward.

EL Placement

Age-Appropriate Placement

EL students will be placed in an age-appropriate setting. There is a normal age range when placing students at grade level. The following table shows that range.

Grade	Normal Age Range	Maximum Age Range
K	5-6	7
1	6-7	8
2	7-8	9
3	8-9	10
4	9-10	11
5	10-11	12
6	11-12	13
7	12-13	14
8	13-14	15
9	14-15	16
10	15-16	17
11	16-17	18
12	17-18	19-21

A student should not be retained if such retention will result in the student attaining an age **above** the stated maximum. Retention of students within normal age ranges should be based on developmental progress rather than language or academic achievement

"Retention of students in grade "solely based on language" is considered a civil rights violation by OCR (Office for Civil Rights, US ED) and runs counter to research on best practices for these students."

Tim Boals, WI DPI

Referrals of EL Students to Other Programs School-based Programs and Extracurricular Activities

In the School District of Manawa, students identified as English Learners (ELs) are full-fledged members of their respective school communities. ELs are provided equal access to the full range of district programs, including, but not limited to, special education, gifted and talented, Title 1, and all non-academic and extracurricular activities. The district encourages all students, including those identified as English Learners, to become involved in extracurricular and non-

academic activities, such as sports, clubs, and organizations. None of these may discriminate based on language.

Application Process for School-Based and Extra-Curricular Activities

At times, the district will offer special opportunity programs or activities to its students. The district assures that the application process and selection for these programs will not be dependent on a student's proficiency in English.

Special Education

The School District of Manawa does not place any student in a special education program based on his/ her English proficiency. The guidelines for special education are the same for both EL and non-EL students in accordance with the Individuals with Disabilities Act. When necessary, arrangements may be made for translators to assist with testing when it is determined that a special education evaluation is appropriate and the student's level of English proficiency would not yield reliable test results. English Learners identified as special education students may continue to receive EL services as determined by the student's IEP. EL modifications and accommodations would be made in the regular classroom by the regular classroom teacher. Special education services will be provided by appropriately qualified special education teachers.

Special Programs and Related Services

EL students will receive equal access to all district special opportunity programs. These programs include, but are not limited to Title I and at-risk programming, gifted and talented, literacy coaches, speech and other forms of special education, vocational and technical courses, and all extracurricular and nonacademic activities available to other students. The district assures that the selection or application process for special opportunity programs will not rely solely on measures of English language proficiency. The School District of Manawa will seek to provide assistance necessary for effective participation by EL students in these programs.

Assessment

Screeners

W-A APT and WIDA Model (Kindergarten) are the screener tests used to determine the student's English language proficiency level.

ACCESS for ELLs 2.0

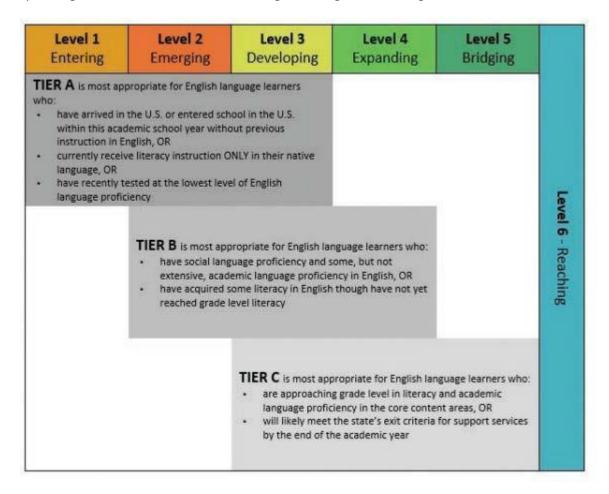

ACCESS for ELLs 2.0 is aligned with the WIDA English Language Development Standards and assesses each of the four language domains of Listening, Speaking, Reading, and Writing. It is given annually to monitor students' progress in acquiring academic English.

The ACCESS test is administered during strict time parameters determined by the Wisconsin department of Public Instruction. Students' in grades 1-12 complete the test in the online format, while the kindergarten and Alternate ACCESS for ELLs are completed in paper format.

ACCESS for ELLs 2.0 Online administration allows for students in multiple grade-level clusters and tiers to be within the same group for ease of administration. See below for exceptions to this.

Can administer together:	Exceptions (Must Administer Separately):
Same domain, different grade-level clusters and tiers • Ex: During the Writing test session, students taking either Tier A and Tier B/C and/or students from Grade-level clusters 4-5 and 6-8 can be together.	 Speaking Pre Tier A Administer separately from students taking the Tier A and Tier B/C Speaking tests.
Writing domain, students who keyboard and handwrite in booklets	 Writing 1 and 2-3 Cannot be combined with Writing test sessions for Grades 4-5, 6-8, and 9-12. Must be separated into test sessions by both grade-level cluster and tier (e.g. Grade 1 Tier A, Grade 1 Tier B/C, Grades 2-3 Tier A, and Grades 2-3 Tier B/C).
	Kindergarten • All individually administered.
Test domains should not be combined into one test session. For example, the Listening test should be administered in a different test sessions than the Reading, Writing, or Speaking test.	

The image below outlines the Tier Placement Protocol educators use in assigning tiers with ACCESS for ELLs 2.0. It is important to note that while the Tier Placement Protocol is defined by three tiers, within the Speaking domain you will only see two potential tiers: A and B/C. The criteria below still encompass all relevant information regarding tier placement for the Speaking domain as well as the Listening, Reading, and Writing domains.

EL Expectations and Teaching Suggestions by English Proficiency Level

Level One Students (ENTERING):

- Have a few isolated English words and expressions
- Produce words, phrases, or chunks of language when presented with one-step commands, directions, wh- questions, or statements with visual graphic support
- Are in a silent period of infrequent verbal communication, during which they are working to make sense of a new language, culture, and educational setting
- Benefit from an accepting and encouraging environment
- Benefit from one or two same-sex buddies who can show them how to adjust to the new school environment
- Benefit from the use of visuals, pantomime, and hands-on activities, which will provide them ways to be active participants in class activities

Level Two Students (BEGINNING):

- Function in conversational and academic English with hesitancy and difficulty
- Understand only parts of lessons and simple directions
- Produce phrases or short sentences
- Have pre-emergent or emergent skills in reading and writing English
- Are significantly below grade level in ability to function in English
- Understand only some spoken English that deals with subjects they are already familiar with
- May become frustrated with their own rate of English language acquisition and may appear to be uncooperative
- Benefit from an accepting and encouraging environment
- Benefit from much visual support in instruction (think stick figures)
- Benefit from teachers who model and encourage correct usage in a positive way
- Benefit from teachers who avoid the use of idiomatic language

Level Three Students (DEVELOPING):

- Speak and understand "hallway" and academic English with decreasing hesitancy and difficulty
- Produce expanded sentences in oral interaction or written paragraphs
- Are developing reading and writing skills (which probably lag behind listening and speaking skills)
- Are often thought to have better comprehension than is the case
- May be reluctant to ask the questions they need to ask from a desire to fit in and not appear needy
- Still face a significant challenge when learning academic vocabulary
- Benefit from assistance when demonstrating academic knowledge in content areas
- Benefit from significant support to acquire knowledge in the content areas

Level Four Students (EXPANDING):

- Speak and understand conversational English without apparent difficulty
- Continue to acquire reading and writing skills in content areas
- Still need assistance to achieve grade level expectations in the reading and writing skills in many content areas
- Still have difficulty reading between the lines
- Are challenged by complex sentence structure and specialized vocabulary
- Will often have difficulty with usage variations and idiomatic language
- Benefit from continued support in acquiring the language skills and specialized vocabulary needed to succeed in the content areas
- Benefit from teachers who are sensitive to their desire to avoid the appearance of needing help

Level Five Students (BRIDGING):

• Understand and speak conversational English well

- Are nearly proficient in reading, writing, speaking, and content area skills needed to achieve grade-level expectations
- Are still refining writing skills and expanding vocabulary
- Still benefit from occasional support

Level Six Students (Formally EL):

Formerly LEP (Limited English Proficient)/ Now Fully English Proficient

A note about new arrivals: Students who are newly arrived from their home country are not only dealing with a new language and school environment, but they are also coming to terms with the loss of friends, familiar surroundings, and food (think school cafeteria). Often, they have left an extended family support network behind. Our climate may be shocking and unbearable. They may be chronically unprepared for the weather and school activities. They can exhibit an initial enthusiasm toward learning English, which might be followed by a period of moodiness, withdrawal, and lack of cooperation. They have realized how difficult it will be to learn English. They may be reluctant to ask questions because it is inappropriate in their home culture. Communication patterns in the home culture between children and adults may lead to behavior considered rude or inappropriate in mainstream US culture. Teachers can focus on modeling the behavior they would like to elicit.

Modifications & Accommodations for EL Students

The School District of Manawa will provide modifications and accommodations to identified English Learners in grades PreK-12 to assist them in achieving the overall goals of the district. The WIDA Standards, in conjunction with the Common Core State Standards, will provide the foundation for English language acquisition and the academic development of identified ELs in the district. The school district is aware that English academic language proficiency may take between five and ten years. It is understood that this time frame can be impacted by the student's previous educational and social experiences.

A number of different modifications and accommodations will combine to provide a support that meets the needs of all identified English Learners in the district. The design of each Language Development Plan (LDP) will be flexible each year according to each student's proficiency levels and needs. These modifications and accommodations include, but are not limited to:

- Use graphic organizers
- Pre-teach vocabulary
- Provide background knowledge for cultural-related topics
- Prepare note pages
- Provide study guides to organize material
- Emphasize important information after lesson
- · Give directions in writing
- Use cooperative learning groups
- Provide peer tutoring
- · Provide mentor tutoring
- Teach study skills
- Teach basic note taking skills
- Allow access to computerized programs
- Allow bilingual/electronic translator dictionaries
- Provide bilingual picture dictionaries at appropriate grade level
- Highlight key concepts in textbooks and/or provide modified versions of text
- Provide digital copies of books
- · Use adapted or modified textbooks
- Allow and use of computer/word processing for papers
- Allow copying from book
- Adapt class worksheets modify or shorten assignments based on ELP level
- Provide extended time for assignments
- Do not deduct for spelling and grammar errors in writing assignments
- Allow assignments to be done in a different manner (ex. Speak rather than writing or write rather than speak)

- Allow students to answer test questions orally
- Provide word banks for fill-in-the-blank tests
- Provide matching activities
- Shorten test length
- Create an alternative assignment
- Extend time for tests
- Require only selected test items
- Read test to student
- Use portfolios (body of work) to assess
- Allow test corrections
- Other modifications/accommodations based on specific student need

Transition from EL Services & Monitoring Performance

<u>Through a reclassification process</u>, students are exited (from the EL program) and monitored when they meet state and federal criteria as delineated in DPI English Learner Policy Handbook.

The requirements for reclassification are the following: (quoted from the DPI English Learner Policy Handbook)

- Students reaching an Overall Composite of 5.0 or greater <u>must</u> be reclassified.
- Students reaching an Overall Composite of 4.5-4.9 may be reclassified, should the district find additional evidence of proficiency using a MIP (Multiple Indicator Protocol)

In the following link, DPI provides a complete, updated Wisconsin English Learner Policy Handbook derived from multiple sources, including federal law and associated regulatory guidance, common law, and state law.

https://dpi.wi.gov/english-learners/el-identification-and-placement

In order to ensure success for all exited EL program students and meet legal requirements, the EL Coordinator will monitor a student's progress in the academic areas each semester for two years after being exited from the program. On a semester basis, the monitor form will be sent to classroom and content area teachers.

If a student is experiencing academic difficulties, the EL coordinator and general education teacher(s) will provide appropriate intervention(s). If the student is continuing to demonstrate academic difficulty based on language proficiency, then a reentry meeting will be set up with the student's parents. The parents will have to sign for permission in order to receive EL services.

Dear Parent/Guardian:

Welcome to the school year! We are confident that your child will have a productive and enjoyable year.

Your child has been recommended to receive English Learner (EL) services. The goals of the English Learner services are to help students learn English more quickly by providing accommodations and modifications for students in core academic subject areas. The services your child will receive will help him/her be more successful in school. We encourage you to take advantage of these valuable services.

Your cooperation and participation will be sought throughout the school year. With a school/home partnership we should be able to make significant progress. As the first step, we need your approval for your child to be enrolled in the program. You have the right to remove your child from the program by contacting the EL Coordinator.

Please sign below and indicate if you would like your child to participate in the English Learner Program. If you have any questions or concerns, please feel free to contact us at the numbers provided below. Thank you.

Other Testing and Scores:
Classroom teachers and/or EL Coordinator will create, monitor, and evaluate two individual English language goals. Goals are created, monitored, and evaluated, so that the individual student will make necessary yearly progress of at least .4 growth on the ACCESS until the student meets the requirements for exiting the EL program.
Listening Goal Students apply oral information and follow directions. The student will: follow single step directions. (L1-L2) identify information from visual and auditory descriptions (match, sort, point). (L1-L2) follow multi-step directions. (L3-L5) categorize and sequence information. (L3-L5) other: Evidence:
Speaking Goal Students will orally express and discuss information in various formats. The student will: ask and answer wh- or choice questions. (L1-L2) use descriptive language. (L1-L2) restate facts or statements. (L1-L2) make predictions. (L3-L5) retell stories. (L3-L5) other: Evidence:
Reading Goal Students explain, interpret, and analyze text. The student will: identify facts and explicit messages. (L1-L2) identify main ideas and central themes. (L1-L2) draw conclusions and infer. (L3-L5) interpret information or data. (L3-L5) other:
Writing Goal Students write in a variety of forms for different audiences and purposes. The students will:

□ request information in writing. (L1-L2)
□ create original compositions. (L3-L5)
 produce clear and coherent expository and narrative texts. (L3-L5)

Per state statute, any students who have arrived within the last 12 calendar months may be permitted to abstain one time from the English/Language Arts portions of the Badger Exam or the reading portion only of the ACT suites including the ACT plus writing and Aspire.

Non-embedded: Bilingual Dictionary, Color Contrast, Color Overlay, Magnification, Noise Buffers, Read Aloud, Scribe, Separate Setting, Translated Test Directions, Translation (Glossary)
Accommodations are for students with disabilities and English Language Learners; they do not change the content being assessed or the skill level. Examples of accommodations include a large- print test or using a scribe to record student answers. Embedded:

Abacus, Alternate Response Options, Calculator, Multiplication Table, Print on Demand, Read Aloud, Scribe, Speech-to-Text
Modifications do change what is being assessed and are not allowed for any student during Wisconsin Student Assessment System (WSAS) testing. Examples of modifications include reducing the number of answer choices or shortening the length of the test.
ACT Suites (Grades 9-11)
☑Default Embedded System Tools: Embedded System Tools are those common supports that are made available to ALL users upon launch/start of test by default. No advance request is needed. These tools are either embedded in the basic computer test delivery platform, or may be automatically provided as needed at the local level. Examples of default embedded system tools may include, but are not limited to: a computer QWERTY keyboard, a mouse, electronic cut, copy and paste functions in a text entry box, as well as low tech items used with paper format tests, like 'Number 2' pencils, erasers, and similar basic tools such as non-specialized personal calculators for some tests.
Open Access Tools: Open Access Tools may be used by anyone. To be activated they must be identified in advance and selected from the pull-down menu inside the test (CBT version), or must be planned in advance and provided locally. Thoughtful decision-making, informed by multiple observations and prior successful user experience, is strongly recommended. Users should be practiced, familiar and comfortable with using these types of tools, and comfortable using them in combination with any other tools they will also be using. Decisions to use these tools must be made well before the test it taken.
Accommodations: Accommodation-level supports are available to "qualified users"—as determined by the responsible educational authority. These supports (used in content areas where permitted) allow the user to independently demonstrate the measured construct. ACT Aspire recommends that students who use accommodation-level supports have a formally documented need as well as relevant knowledge and familiarity with these tools to qualify. Accommodations must be requested through the online ACT

Aspire Personal Needs Profile (PNP) process. Any other formal qualifying procedure that is required by the responsible educational authority must be completed prior to completing the ACT Aspire PNP request process.			
Examples include:			
Needs for braille or tactile graphics, English text au	dio, Sign language interpretation, or other		
language translation			
Modifications:			
Modifications are not permitted in ACT Aspire tests	s for any user. Such extreme levels of support

English Learner (EL) services provide assistance to students in developing English language skills. When students are proficient in English and able to succeed in school without EL assistance, they exit from the program.

Based on ACCESS testing, your student is now ready to exit from the EL program and will no longer receive EL services. We are confident that your student will continue to be successful without EL assistance. Please call the school if you have any questions.
