WHEN:

- Summer Adventures: June 6th-June 24th (Monday-Friday, 8am-12pm)
- Back to school readiness program August 1st-August 12th (Monday-Friday, 8am-12pm).
- Swimming and skills courses see specific course dates & times

WHERE:

- The majority of the programming will be held at the Manawa Elementary School
- Exception: some classes will be held at the Little Wolf Jr. /Sr. High School depending on content

WHY:

- *“Summer Adventure”* participants will find a number of interesting and exciting learning opportunities again this summer
- Remediation
- Fun
- Skill Development

HOW:

- Complete registration and medical emergency form attached
- Bring completed form & fees to registration night:
Tuesday April 19th *or* Wednesday April 20th
3:30-6:00pm
Manawa Elementary School Cafeteria

CONTACTS:

- Kevin Keller - 920-986-4001 or kkeller@manawa.k12.wi.us
- Shannon Huettner - 920-596-5809 or shuettner@manawa.k12.wi.us
- Manawa Elementary School Office – 920-596-5700
- Little Wolf Junior/Senior High Office – 920-596-5801

FREQUENTLY ASKED QUESTIONS – p.1

Q: What does a student's daily schedule look like?

A: "Summer Adventure" Daily Schedule

Session 1	8:00-9:00
Session 2	9:00-10:00
Session 3	10:00-11:00
Session 4	11:00-12:00

Q: Who will be teaching the classes?

A: Teaching staff will include the best possible *certified* teachers available. Teaching assistants will also be working for the program to assist our certified staff with daily activities.

Q: What happens if my child selects a course that is filled?

A: An alternative course will be assigned based on the child's grade level and interest.

NOTE: *Course enrollment will be on a first come, first served basis.* Some courses have an attendance maximum and some courses may be eliminated if there are an insufficient number of students enrolled, or if there are not qualified teachers available to teach them. Parents will be notified as soon as possible of changes.

Q: When will I know what my child's summer school schedule is?

A: A copy of your child's schedule will be sent home at least two-weeks prior to the start of summer school.

Q: Can my child who is entering 4K Kindergarten or 5 year old Kindergarten attend?

A: Yes! Students can enroll in our 4 K and Next Stop- Kindergarten. Students will use skills that will prepare them for a successful Kindergarten experience. Activities will include stories, music, plays, manipulatives, arts and crafts, and fun.

Q: Can my child who is entering 9th grade or is currently in High School enroll in Summer School?

A: *Yes!* Students entering their Freshman year or are currently enrolled in the High School can register for High School course offerings. These include weight lifting/fitness and various core subject matter for those who need credit.

Q: Can out-of-district children enroll in Summer Adventure?

A: *YES...*there is a tuition fee of \$75.00 per child. An out-of-district student is any student who currently resides outside the School District of Manawa.

Q: Will transportation be available for students to get to & from summer school?

A: *YES...* The school district will be offering transportation to and from summer school. Designated pick-up points, drop-off points, and times will be established for surrounding communities. Parents will be responsible for making sure students are at those locations at the scheduled times in order to accommodate the summer school schedule. Please note, after the initial registration, it will be decided if numbers are adequate to offer this service.

FREQUENTLY ASKED QUESTIONS – p.2

Q: What are the attendance procedures and policies?

A: All students enrolled are asked to attend summer school on a regular basis. Emergencies and illness should be the reason for absences. If you are aware of a scheduled absence IN ADVANCE, please notify the Summer School Aide Shelley Keller or Kevin Keller, Shannon Huettner, Summer School Coordinators at 920-986-4001. In the event of an emergency or illness and neither Shelley, Kevin or Shannon can be reached, please call the Manawa Elementary School office @ 596-5700. Please notify us of the situation at least by 9:00 a.m. daily if at all possible.

Q: Does my student need to bring school supplies?

A: Most supplies will be furnished by the School District of Manawa. In the event special supplies are needed or there are additional fees, it will be noted in the description of the coursework. Students should **NOT** bring items such as CD players, video games, etc. to summer school.

Q: What should my student wear to summer school/is there a dress code?

A: We understand that the weather will likely be warm in June and July; therefore we expect that our students come to summer school dressed casually and comfortably. However, all students are required to dress per school district dress code. Students will be required to wear shoes at all times. Hats will not be allowed inside the buildings, but may be worn for outside activities. Please note that some courses and, or activities may require students to dress in a particular fashion. You will be notified in advance if this applies (i.e. – Outdoor Adventure in the woods, swimming, etc.).

Q: Is there a student code of conduct? Can my student be removed from summer school?

A: YES ...the same rules and regulations regarding student conduct for the regular school year will apply for summer school as well. Students who misbehave will be disciplined in a reasonable manner and parents will be notified. Students who cause excessive disciplinary problems may not be invited back to summer school in extreme circumstances. Refunds will not be granted in these circumstances.

Q: Will the Sturm Public Library Summer Reading Program be affiliated with summer school?

A: YES, as in the past students will visit the library, be introduced to the summer programming and partake in program presentations. See pages 13-14 in this packet for information on this summer's programming or for more information contact:

Ellen Conner, Sturm Public Library 920-596-2252.

SWIMMING PROGRAM
IOLA-SCANDINAVIA FITNESS & AQUATIC CENTER
 &
The Manawa Summer School Program

1st SESSION: June 6th-July 6th, 2016 (choose 1 section – A or B)

Section A: 1 hour session each Monday (NO class Monday July 4th- make-up on Tuesday July 5th)

Section B: 1 hour session each Wednesday

2nd SESSION: July 11th-July 25th, 2016

Section C: 1 hour session every Monday and Wednesday

BUSSING: There will be central pickup points at specific community locations. Approximate times will be established so students will be able to take lessons at the pool from 8:00 A.M. – 9:00 A.M. during any of the sessions.

A qualified teacher will accompany the students to the pool. Certified swimming instructors hired by the Iola Aquatic Center will provide the instruction. Students will still be able to return to the Manawa Elementary or Jr. /Sr. High School for the remainder of their Summer School Programming on lesson days.

Please keep in mind, adequate participation will still determine course offering. There will be no cost for the swimming instruction and transportation. The school district will recover the cost through state aid membership participation. **We will however require a student who signs up for instruction to attend all the sessions.** An Iola Fitness and Aquatic form and parental signatures must be filled out before or on the day of registration. Schedule of pickup times and return times are below.

Option 1 Students will be picked up at a central location at the listed approximate times. **Parents are required** to provide transportation to the pick up site. Students will be returned to the central location and it is the **responsibility of the parent/guardian** to pick them up in a timely fashion.

<u>Pickup Time</u>		<u>Return Time</u>	
Royalton	7:00	Congregational Church	9:55
Manawa	7:10	Elementary School	9:45
Symco	7:20	St. Mark's	9:35
Ogdensburg	7:35	Reid Murray Park	9:20

All times listed are approximate.

Pool Arrival Time: 7:50 A.M. Departure Time: 9:05 A.M.

Option 2 Students will be picked up at a central location at the listed times. Parents are required to provide transportation to the pick-up site. Students may choose to get off at the High School or the Elementary School and continue with other Summer School options. It would then be the parent/guardian responsibility to pick up their children from school after their course choices.

Little Wolf High School (Participants can earn points for market animal sale at fair.)

Archery Camp: Week of July 11-15, 2016 (specific days, dates & times will be decided later).
MUST be at least 8 years old! Location - Manawa Elementary School

COURSE DESCRIPTIONS & GRADE LEVELS

FOUR YEAR OLD KINDERGARTEN INTRODUCTION 15 days 4 hours/day

Is your child eligible for 4 year old kindergarten in the school year 2016-17? (Must be four years old by September 1, 2016). This class will be a fun introduction to the 4K environment. Students will have stories, songs, art, games, music, movement and lots of play! This will be a fun way to introduce your child to our 4K program.

Next Stop- Kindergarten (Students entering 5 year old Kindergarten) 15 days 4 hours/day

Students will acquire skills for a successful Kindergarten experience. Colors, shapes, alphabet, and counting will be promoted using play, music, stories, movement, manipulatives, and fun!

Summer Camp Adventures Grades 1 & 2 (kids that have finished K &1) 15 days 2 hours/day

Each summer camp week would have a different theme.

Week 1 Cooking Up a Good Book

Using children's stories children would learn early cooking skills, health and nutrition skills math and reading skills to create an edible product. Literature would include stories like - Pete's Pizza, Cock A Doodle Cook and Herb the Vegetarian Dragon.

Week 2 Summer Camp Fun

Children would be involved in true summer camping activities. Survival skills for kids, making a shelter, camp songs, walking on the nature trail, identifying trees and plants, arts and crafts and ending with a fishing trip using a pole and lure that they have made.

Week 3 All about Agriculture

Children will learn about the wonderful world of agriculture - and how food comes to the grocery store and to the family table. Activities will include planting a container garden using milk jugs, learning about farm animals and crops, making butter and whole grain bread.

Reading Bookmaking Grades 1-2 3-4 5-8 15 days 1 hour/day

Students will use fun hands-on experiences in Reading. These exciting activities will increase literacy through the use of books, games, and problem solving activities. This class is designed to reinforce skills in reading comprehension strategies, decoding skills, and vocabulary skills through both remedial and enrichment activities. Use personal experiences and your imagination to create exciting books. We will make two and three dimensional books that will offer students a variety of learning experiences with computer applications. This book making class will incorporate writing and journaling as students create works that will be unique to each individual. Folding, cutting, recycling and working together are just the beginning.....

Math Exploration Grades 1-2 3-4 15 days 1 hour/day

Students will experience hands on creative problem solving activities as well as basic mathematical computation as they work through a variety of mathematical concepts. Games and puzzles will also reinforce mathematical skills as well as provide challenging math concepts.

Art in a New Dimension Grades 1-3, 4-8 15 days 1 hour/day

Students will work on art work that is three-dimensional.

ARTS/CLAY: Students will use a variety of materials to create projects that include clay sculptures. (15 Maximum)

DRAWING: They will have fun drawing and painting in different mediums. Limited class sizes. (15 maximum)

Rocketry/ Beginning Skill Level **Grades 4-8** **15 days** **1 hour/day**
(Students who have not built rockets before) Students will build and fly a beginning skill level rocket. They will learn the basics of rocketry as well as proper safety procedures. **Fee: \$25.00**
Covers Materials: Rockets, Engines, Igniters, Etc.

Intermediate/Advanced Rocketry **Grades 5-8 (prerequisite)** **15 days** **1 hour/day**
(Students who have rocketry experience will build a more advanced level rocket). Students will work through Science skills using rockets. Students will explore different types of space vehicles. Intermediate/Advanced. **Fee: \$25.00** Covers Materials: Rockets, Engines, Igniters, Etc.

Math Logic and Problem Solving **Grades 5-8** **15 Days** **1 hour/day**
This fun filled course will be filled with challenging logic puzzles, story problems, number problems, word problems, and the learning strategies to solve such problems. Class will include team and individual challenges, paper and computer challenges.

Mad Summer Scientist **Grades 1-2,3-4,5-6** **15 days** **1 hour/day**
Become a mad Scientist this summer!! Learn about magic and the mystery of science through literacy while still having fun doing experiments. Make ice cream in a plastic bag. Make your own lava lamp without a light. As a class we will do research, form hypothesis and perform experiments to answer these questions and many more.

Computer/Keyboarding **Grades 1-3,3-4,5-8** **15 days** **1 hour/day**
Students will work through a variety of computer applications to increase their knowledge of not only basic keyboarding skills, but various software, web designs, and the internet. They will create funfilled projects using different computer applications.

Bon Appetite!! Cooking Made Easy **Grade 5-7** **1 section** **15 days** **2 hours /day**
Students will be learning the skills and art of cooking easily and safely. The class will explore fun and easy things to make for a meal or a snack. Anyone in grades 5-7 interested in learning their way around the kitchen, this class is for you! **Fee: \$15.00** *Held at Little Wolf Jr. /Sr. High*

Give Tumbling a Try, Do a Little Dancing **Grades 4-6** **15 days** **1 hour/day**
Students will be introduced to the basic gymnastics skills needed to put together a floor routine (i.e. tumbling skills, jumps and balances). Throughout the course they will get multiple practice opportunities to work on skills they have already perfected and a chance to try tougher skills with an educated spotter. They will then put together their own gymnastics floor routine to perform for the class. ***Do a Little Dancing*** Students who would like to learn a little bit about jazz, hip hop, and classical dance will really enjoy this class. Throughout the course, students will learn a variety of dances to today's hottest music and a couple of traditional dances too. As the student's learn popular dance steps they will be put into small groups to choreograph their own dance.

Simple Summer Scrapbooks **Grades 3-6** **15 days** **1 hour/day**
Let's create a scrapbook special to you and your family! Easy scrapbooking techniques are taught in this course. You will need to bring in pictures or will have the option to add pictures later. You will take home technique sheets and a starter book

Lights, Camera, Action **Grades 1-3,4-6** **15 days** **1 hour/day**
This class is sure to be enjoyable if you enjoy acting. Students who sign up for this course will participate in designing sets, practicing lines, and performing a play in front of a live audience. Put some excitement into your summer by joining this class.

Class Piano **Grades 1-3** **15 days** **1 hour/day**
This course will offer beginning piano lessons in a class setting. It will focus on developing note-reading skills and proper finger technique. Students will learn to play familiar and new songs with the group and during individual practice time. **Keyboards are provided.**

Beginning Woodwinds **Grade 5** **15 days** **1 hour/day**
Students taking 5th grade band will have the opportunity to get a head start on their instrument by taking these courses! They are not required, but are strongly suggested. Students who take these classes will be well prepared for the first day of band in the fall.

- Incoming 5th graders starting band
- Taking Flute, Clarinet, Saxophone, Oboe
- Students will rent or borrow instrument from the district

Beginning Brass **Grade 5** **15 days** **1 hour/day**
Students taking 5th grade band will have the opportunity to get a head start on their instrument by taking these courses! They are not required, but are strongly suggested. Students who take these classes will be well prepared for the first day of band in the fall.

- Incoming 5th graders starting band
- Taking Trumpet, Baritone, Trombone, or Tuba
- Students will rent or borrow instrument from the district

Cowboy Band **Grades 6-8** **15 days** **1 hour/day**
Are you ready for summer band? Summer band is a great way to polish your playing, build character, and have fun! Keep your technique sharp by joining the Cowboy Band! Music will be fun to play and we will have a final concert in triangle park for our friends and family.

- Students who will be going into 6th-8th grade
- Students will rent or borrow instrument from the district
- Would like to finish the June session with a concert in triangle park

Sports/Leisure **Grades 1-2, 3-4, 5-8** **15days** **1 hour/day**
Students will be engaged in a variety of activities that will promote a healthy lifestyle. Activities will include lifetime sports that will include Frisbee Golf, Hockey, Bowling, Golf, and basic skills of Basketball, Volleyball, Soccer, and more.

Outdoor Exploration **Grades 4-9** **15 days** **2 hours/day**
This unique class offering will explore outdoor activities and incorporate environmental education, wellness, outdoor recreation, and many others. This class will provide leadership skills through cooperative activities through all these events. Take the challenge of seeing how well you know the outdoors.

Crafts Basketry **Grades 3-8** **15 days** **2 hours/day**
Students will learn the artistic skill of weaving reed into colorful and useful baskets. They will learn to read and follow patterns. Measuring and making patterns are a key to a successful project. Round and Rectanglur baskets will be made. **Fee: \$ 20.00:** Covers cost of materials for baskets made.

Intro to Photography & Photo Editing Grades 5-8 15 days 1 hour/day

Come explore the amazing world of photography! In this course you will learn tips to help you take photos with any camera to help build your photo taking skills. You will receive technique sheets and have access to different camera types to help you become a better photographer, no matter what your current skill level.

Want to learn how to edit those photos that were almost perfect? Removing blurry spots, adding filters, creating collages, and so much more will be taught in introductory editing course. Both installed and online photo editing tools will be explored. Many technique sheets will be provided to help you become a better photo editor.

Weightlifting/Fitness Grades 7-12 20 days

Students will work on an individual program to enhance their physical strength and general fitness. Program will combine weight training, anaerobic and aerobic skills and flexibility training. Proper form and technique will be taught. Health and permission forms will be required.

GRADES 7-12: 1.5 hour session 6:30 to 8:00 A.M & 1 hour session 8:00 to 9:00 A.M

GRADES 9-12: 1 hour session 9:00 – 10:00 A.M.

Swimming Grades K-8. @ Iola Fitness and Aquatic Center

This program is for children seeking to learn the fundamentals of swimming by trained and certified instructors. Lessons are provided Monday or Wednesdays. If interested in signing your child up for swimming lessons, please fill out the necessary swimming forms,

Middle /High School Credit Recovery Grades 7-12 4 hours/day 8:00-12:00 P.M.

These courses will be designed to assist students in passing competencies that they are deficient in. Individual programs will be designed to meet the needs of selected students. Courses will be determined by the availability of instructors. If you have questions please contact the High School Counselor at 596- 5803.

Driver's Education Grades 8-12 15 days 2 hours/day

Students will be participating in the classroom portion required to obtain a driver's license. There will be a **mandatory attendance requirement – NO exceptions**. Thirty hours of instruction are required by the Department of Transportation. Section information and times will be available in the High School office. ***Students must be 15 by October 1, 2016***

T-BALL 5 years old or completion of 4K. Mon.-Wed. 12:10-1:00

The Manawa School District summer school program is not allowed to be associated with any of the competitive areas of recreation, but we offer the instruction of basic skills of the various sports. The schedule below reflects this participation:

T-Ball:

Life Sports-Maximizing Human Potential (Schedules and registration forms will be available in both school offices)

These programs are for students who are interested in acquiring volleyball, basketball, football, and wrestling fitness skills. Students will be actively engaged through conditioning techniques sports basics, and team leadership practices.

Volleyball	"Dates to be determined"
Basketball (Girls)	"Dates to be determined"
Basketball (Boys)	"Dates to be determined"
Football	"Dates to be determined"
Wrestling	"Dates to be determined"

Marching Band: Grades 8-12 20 days 2.5 Hours/day

This is a requirement for those registered for band in the fall. We will be working on marching techniques that will last us an entire year. Field show steps and music for homecoming will also be taught.

- Practice from 12:30-3
- Schedule:
 - Marching Band: Tuesday and Thursday
 - Drumline: Wednesday
 - Color Guard: Monday
- For June 6th-24, then every day marching band June 27-July 1st

MAQA (Market Animal Quality Assurance) Seminar Grades 4-12 @ LWHS 1 day
June 11th 10am-noon: (Participants can earn points for market animal sale at fair.)

Department of Natural Resources Archery Camp July 11-15, 2016 Specific days and times will be determined at a later date.

(MUST be at least 8 years old to participate)

Class will cover beginner to intermediate archery levels using the National Archery in the Schools Program (NASP). All equipment and teaching materials will be provided.

Department of Natural Resources Hunter Safety August 3rd - 8th 3 hrs/day 9:00-12:00
(Recommended Age 12 by hunting season to adult)

This Hunter's Education course will instill in students the knowledge, skill and attitude to be a responsible and safe hunter. Students will learn how hunting accidents are caused and how they can be prevented. Hunter responsibility and safety are stressed throughout the classes, which consist of lectures, demonstrations, group discussions, practical exercises, and individual study and activity assignments. This course will be taught by DNR certified instructors. This course will cover state hunter safety requirements and is a requirement for hunting license purchasing. Certification will be issued after the satisfactory completion of this course.

Fee: \$10.00 (collected first day of class) Payable to DNR. Students younger than 12 may take the class. Those that meet the course requirements will receive a safety education completion certificate. However, it should be noted that persons younger than 12 may lose some of the benefits of the certification (small game hunting privilege, authorization to shoot an antler-less deer during the first gun deer season after graduation) if they take the class sooner than age 12. The DNR encourages people to wait until they turn 12 within 6 months of completion of the course before taking it.

Math and/or Reading Readiness Grades 1-3 or 4-6 Session II: 10 days 2 hours/day

These class offerings are geared to jump start reading and math skills for the upcoming school year. Activities will be a fun-filled way to review concepts and skills to make a smooth transition into the new school year. Classes are blocked by age group to accommodate scheduling and transportation for parents.

**Sturm Memorial Library
Summer Reading Program
June 6 – July 29, 2016**
