

**Internet:**

Students may access the Internet provided that they have parental permission. An Internet access management filter is used to block access to Internet sites that are deemed inappropriate; however, be aware that it is not possible to block all sites that may be inappropriate.

\_\_\_\_\_ **Yes**, I hereby give permission for my child to use the Internet.

\_\_\_\_\_ **No**, I do not give permission for my child to use the Internet.

**E-Mail for Students:**

Students may have their own e-mail account provided that they have advance written parental permission. The district reserves the right to view student e-mail. Students are expected to use only their district provided e-mail address during school hours and for educational purposes only. E-mail will be the primary form of communication between teachers and students, outside of class.

\_\_\_\_\_ **Yes**, I hereby give permission for my child to have his/her own email account **to be used at school for school purposes only**. I understand that the Manawa School District can legally monitor student e-mail and file data.

\_\_\_\_\_ **No**, I do not give permission for my child to have his/her own email account.

**Granting Student Usage of Equipment:**

Students will be using electronic devices during the school year. Should there be evidence of intentional and/or inoperable damage beyond normal use; the family is responsible for the reasonable cost of repair or its fair market replacement value. **(Students who bring technology equipment, cell phones, toys, etc. from home are responsible for those items. MSD is not responsible for any damaged or lost items.)**

\_\_\_\_\_ **Yes**, I hereby give permission for my child to use school equipment and as the parent/guardian agree to the terms.

\_\_\_\_\_ **No**, I do not give permission for my child to use school equipment.

**Student Computer Acceptable Use Policy:**

With the increased use of technology in the School District of Manawa, the district's Technology Committee, in cooperation with the Board of Education, has set forth the following guidelines and restrictions for proper use of this equipment.

**Hardware:**

Students will be given access to the district's technology hardware to use for educational purposes. Any abuse or misuse of these machines will not be tolerated. Students will be held financially responsible for any repairs that need to be made due to misuse, including parts and labor. Privileges may be revoked at the discretion of the district's administration.

**Software:**

Students may use the software provided by the district for educational purposes. These applications are to be used within guidelines set forth by instructional staff and as dictated by curriculum. Students may not install or use any software in violation of the district's copyright policy. Students may not alter or tamper with any software on the district's computers. Misuse of software may result in revocation of computer privileges.

**Network:**

Each student will be given a valid user account on his or her building's network. Students are responsible for all network activity under their account. Students may not access the network with another user's account. Students may not tamper with administration of the network. Misuse of the network may also result in revocation of computer privileges.

**Internet:**

Students will be allowed to use the Internet only after meeting the following requirements: (1) Students must complete an Internet Orientation course; (2) Students must sign this Acceptable Computer Use Policy, thus agreeing to its terms; and (3) Students must have parental permission to use the Internet. Students will be allowed to use the World Wide Web for educational purposes. Students may not use the Web to access material that is pornographic, obscene, or otherwise educationally inappropriate as determined by staff and administration. E-mail, Chat, FTP/Download, and Telnet will only be available for use under the direct supervision of a staff member. As with other technologies, misuse of Internet access may result in loss of privileges.

***I accept the above terms, and will use the district's technology resources as set forth by the guidelines contained therein.***

**SURVEYS:** The federal government, the State of Wisconsin, the School District of Manawa, and various organizations within and/or associated with district schools request (sometimes require) that we provide information on a wide variety of issues. Often the only way we could possibly respond, or plan program improvements, in an accurate fashion would be through the use of student survey. We are seeking your permission to survey your student as the need arises trusting us to handle all data in a confidential, professional manner.

\_\_\_\_\_ **Yes**, I hereby give permission for my child to participate in taking surveys.

\_\_\_\_\_ **No**, I do not give permission for my child to participate in taking surveys.

**FUNDRAISING:** Per Board Policy 5830, any students under the age of twelve (12) who are participating in a fundraising activity must have written parental permission to participate in the fundraising activity.

\_\_\_\_\_ **Yes**, I hereby give permission for my child to participate in fundraising activities.

\_\_\_\_\_ **No**, I do not give permission for my child to participate in fundraising activities.

Special Note: Any student under nine (9) years of age, or each group containing one (1) or more students under nine (9) years of age, must be physically accompanied by a parent or a person at least sixteen (16) years of age.
