## 9/12 Grade Athletic Participation Fee Form

The School District of Manawa Board of Education has adopted athletic participation fees. If you anticipate that your child will be participating in any Ninth through Twelfth grade school athletics, we would kindly ask that you contribute a nominal fee to help cover expenses associated with providing such to our students.

Please understand that all fees collected will be used to offset expenses such as bus transportation to and from athletic contests and much more. Unfortunately athletic participation fees collected cannot guarantee a set amount of playing time for your child.

If you and your family are experiencing a financial hardship at the present time and need assistance paying the athletic participation fee, please contact the District office at 596-2525.
