

MULTI-SPORT PARTICIPATION POLICY

The Multi-Sport Participation Policy allows students to participate in two (2) sports/organizations during the same season, regardless if the sports are individual or team-oriented. If a student desires to participate in multiple sports during the school year, they must do the following prior to the start of any season:

1. Submit a completed contract to the Athletic Director prior to the first scheduled contest. This form includes:
 - Permission from his/her parent or guardian to compete in multiple sports in the same season.
 - Declaration by the student of the priority sport for tournaments in the event of scheduling conflicts.
 - Approval by the Head Coach(s) of each sport.
 - Signature of student's agreement to coordinate the practice/contest schedule for the season in coordination with the coaches.
 - Signature of the Athletic Director.
2. The athlete must participate in at least one regular season event in the secondary sport so that they are eligible to participate in the conference tournament in that sport.
3. The Athletic Director will share the list of multi-sport athletes with the Central Wisconsin Conference Commissioner and the other CWC Athletic Directors prior to the start of each season.

It is the goal of the Athletic Department to have continuous communication between student athletes, coaching staff, and the Athletic Department to avoid putting athletes in difficult situations.

If a student quits a primary sport, the student will not be able to participate in any of the secondary sports from that point forward. If a student quits a secondary sport, the student will only be able to participate in the primary sport from that point forward.

The following Multi- Sport Priorities have been established for the benefit of all athletes:

1. Games come before practices.
2. Tournaments come before games.
3. Districts come before games and tournaments.
4. State comes before all else.
