Update from the AD: Boys' Basketball Middle School practice will start on 10/17/16. Pat will set up a meeting and sign up since Mr. Murphy is still coaching another sport. Record Plaques for Track will be ordered. Saturday, September 16th, 2017 a Cross Country Invitational will be held during Fall Fest through School and will take 2-2 ½ hours. Need Flags and stuff to help subsidize. A name for the meet will have to be determined. Basketball Hoops feasibility, need quotes on strips and will meet in the next week or two.

OLD BUSINESS:

Walkway Update: Jeff said someone needs to purchase and pick up 400 pavers from Fleet Farm and have them delivered to the school. Nick said he would check into it and get back to us at the next meeting.

Trophy Cases Recognition Plaques and State Wrestling Board & Wrestling Room Plaques: Brad said he is trying to get quotes. Hoping to get something next week.

Clothing Order: Mary will work with Fox Cities to put together something for early November for Christmas Order.

Mac Donation: Motion by Heather and second by Brad to make a donation of \$6,861.13 to Mac Fund.

MMS Admissions: Brenda comments that she is not charging for students or senior citizens, only adults \$1.00. She is making around \$25.00 per game. Some parents are putting up a stink about the admissions. We have determined that we should continue as this will add up and money will go to bleachers.

MMS Concessions: Brenda is looking for helpers. She went to the Elementary School Principal who said she should talk to the AD about contacting students in 6th grade that the teachers felt would be able to handle money and also would be reliable to help us out. This is not Sam's responsibility. Mary asked Melanie if we could proceed and she said she would talk to the Elementary School Principal and see if she would work with us to contact the teachers. Joanne mentioned if we didn't hear anything that we should talk to her about it.

16 Team Wrestling Tournament: Coaching Clinic on November 4th and 5th, Brad will work to recruit more schools.

7th & 8th Grade Girls' BB Tourney: Date is set for December 17th and hoping for 8 teams each of 7th and 8th grade. \$100.00 per team for entry fee. Need concessions at both schools. Will use wrist bands again. Basketball players to run book and clock. Should last 8-5:00.

Mascot Review: Sam indicated that this needs to go before the board before we can start meeting. He will follow up.

NEW BUSINESS:

Bleacher Fund: Mary has started a bleacher fund. \$500 has been donated to get it started. As soon as she receives some hard numbers she will pursue donations.

Holiday Fair: Mary can't attend Holiday Fair this year and asked if someone else would attend for her. No one else was interested so we will not have a booth this year. Mary Johnson will keep a spot for us for next year.

50/50 Raffle License: Mary will start to keep track of all 50/50 raffles. A form has been created that needs to be completed if anyone does a 50/50 that they would like to Booster Club to keep for them.

Radtke Accounting: Barter for Sign. Everyone agreed that if Mary would like to have Jason Radtke work with us on our books that we would work out a deal for a field sign.

Donation: Jason Bailey made a donation of \$200 to Girls' Basketball from his 50/50 winning at the Football Game.

Possible New Field Signs: Suehs Motors has purchased a sign. Also the Manawa Lions, Rodeo and Kolbe and Kolbe is interested.

Building & Grounds Update: Looking to get pricing for Bleachers. Also discussing on Drainage & crowing of the field. Getting Quotes.

The next meeting will be on Wednesday, November 2nd, 2016 @ 6:00 pm at Little Wolf High School.
