#### ***Old Business:***

**3-3 Basketball Updates:** Friday, June 17<sup>th</sup> is set up starting at 3:00 in the parking lot. Bin for the Basketballs is in the locker room closets. Extra Flip Charts were ordered, using the youth wrestling last year. Not a lot of teams at this point. Reasons could be Country USA, some say prices too high. Had 26 teams last year and 17 so far this year. Decision was made to extend registration to 6/13/16 at 5:00 so flyers can be handed out at the Neenah Street Ball Tournament on Saturday. Need referees. Have Clay Lowney, Brian Bessette. Pat Collins would like to put in a team. Sandy Cordes to donate paint.

Concessions will partner with MYSA and use their stuff and give them back the money made. Meat, Pizzas and Flurries will be given to Cruisin In with a donation given back if they do well. Mary will set up MYSA stuff and keep track of sales for Cruisin In and settle up in the end.

**Walkway Update:** Jeff stated will need 53 pavers x 4 or 212 @ \$3.50 a piece to get walkway put together and then we can start selling them for bleachers. Cost will be \$742 and will start in the fall around August, looking for Tech Ed help as promised.

**Trophy Case Recognition Plaque and State Wrestling Board:** According to Jeff, Nate has this information. (Checked with Nate and still doesn't have anything).

**Hall of Fame:** Jeff and Brad will be at Football Scrimmage and should be back. Nate is taking over the setup of the stage that day. Tickets are available for sale. Tickets have been sent out to inductees. Posters and flyers are also available to get out.

**Bob Sell Appreciation:** Need to get tickets sold and get the word out. Bridget will be looking for numbers soon. Would like a count by June 15<sup>th</sup>.

**Bags and Balls Tournament:** Posters and flyers are made. Everyone needs to get together items for Basket Raffle as this went very good last year.

**Rodeo Parade:** Need at least 6 groups, more would be better. Last year we have 6 groups with 7 adults and 14 kids. If you can work, let Troy and Heather know. It is only about an hours work and we make really good money.

**5-5 Flag Football:** Brad has 7 teams show up and it looks like there will be 8. Great job Brad! Missing Brad, Pat and Shae as they are running the 5-5 Flag Football on Sunday Nights.

**Clothing Order:** Mary will contact Dawn Jaeger to put together a clothing order for fall. Hope to bring to next meeting.

**Field Signs:** Sold another field sign to TruGreen.

**Motions to Approve from May Meeting (not enough to have a quorum).**

- 1. Motion by Heather, second by Nick to share 50% of the profits from Meet the Cowboys – Meet the Wolves with the Manawa Cowboys for 2016.**
