PUBLIC PARTICIPATION AT BOARD MEETINGS

All Board meetings shall be open to the public except those authorized by law to be closed. While the public has the right to attend Board meetings, no individuals or groups have the right to enter into the deliberations of the Board. They may take part in the discussion only when invited by the Board to do so.

The Board is pleased that the public is interested in educational issues, and the Board is interested in the public's comments and concerns about the District. The public may have the opportunity to speak at Board meetings in two ways:

1. A time for public comment shall be scheduled on the agenda of each regular Board meeting. Individuals who live or work within the District and parents/guardians of students enrolled in the District may address the Board. Others may address the Board at the discretion of the Board. Persons interested in addressing the Board during this scheduled time shall adhere to the following:
 - Speakers shall register in writing prior to the start of the Board meeting.
 - Each speaker shall receive recognition from the Board President, or other presiding officer, stand when recognized and give their name and other applicable information (i.e., resident address, place of employment and/name of enrolled student).
 - Comments or suggestions shall be limited to 3 minutes or less.
 - Comments or suggestions may address matters of the District, including items listed or not listed on the agenda.
 - Personal complaints about District employees or Board members shall be considered out of order for a business meeting, and, when applicable, such complaints shall be referred to proper channels in accordance with the Board's policy on public complaints.
2. An individual or group may request to be placed on a meeting agenda for the purpose of making a presentation to the Board. Items shall be considered for placement on a meeting agenda in accordance with the Board's policy on agenda preparation and dissemination.

The Board may discuss public input provided during a Board meeting; however, the Board shall not act upon any item of business not included in the public notice of the meeting. If there is a need to provide an answer or other response regarding a concern or issue, the District Administrator or another administrator shall contact the individual or group within the next week. If Board action may be required in response to a concern or issue, an item may be placed on the agenda of a subsequent Board meeting.
