March 17, 2014

Mr. Dombrowski and Manawa Board of Education,

I write this letter after many hours of contemplation and extreme regret, to inform you of my resignation as the Activities Director, effective immediately. The current situation I find myself in with no time set aside during the school day was the main reason I turned down this very position earlier within the year. This position has been an overwhelming challenge that lessened my ability to teach and dramatically moved my focus away from classroom instruction to juggling this new added responsibility onto my workload. Even with the promised hour within the school day next year and the generous compensation offered, I unfortunately feel it is best for my family, myself and the school district to leave this position to someone who will have the adequate resources to fulfill the duties of this position.

Sincerely,

A handwritten signature in cursive script that reads "Nicholas Hericks".
