Retaining Wall – Fitness Center

Helical Piers Installed - Fitness Center

Helical Piers

Helical Piers being installed – Fitness Center

Update

We broke ground on the Fitness Center mid-October and are coming up out of the ground. Retaining Wall has been installed to allow work to be done on existing footing and the install of the Helical Piers has started. The install will be completed this week.

About Hoffman

Hoffman Planning, Design & Construction, Inc. is an integrated Total Project Management firm based in Appleton, Wisconsin. We partner with our clients to create innovative designs and build high quality, functional, attractive, energy efficient facilities at costs at or below projects delivered using traditional design and construction methods. Currently in our fifth generation of leadership, Hoffman continues to deliver the same expert service and superior value our clients have come to appreciate.
