

Construction Weekly Update

Week of December 23 and December 30, 2019

School District of Manawa

Installed blocking & flashing at Addition C

Installed Corridor ceiling grid and lighting

Erecting masonry fire wall at Addition A

Polished concrete completed in Commons

Update

Extensive flooring demolition was completed during the winter break, including abating VCT flooring in several rooms, saw-cutting for underground utility work, and grinding work in the HS Commons room. Flooring was replaced in the ES office suite, terrazzo patching work occurred in the HS, and the concrete polishing was completed in the Commons. Mechanical rough-ins continued throughout.

About Hoffman

Hoffman Planning, Design & Construction, Inc. is an integrated Total Project Management firm based in Appleton, Wisconsin. We partner with our clients to create innovative designs and build high quality, functional, attractive, energy efficient facilities at costs at or below projects delivered using traditional design and construction methods. Currently in our fifth generation of leadership, Hoffman continues to deliver the same expert service and superior value our clients have come to appreciate.
