

Construction Weekly Update

Week of January 13th, 2020

School District of Manawa

Completed masonry at Fitness Addition

Structural steel delivered for Fitness Addition

Installed insulation at Office Addition

Installed drywall at Office Addition

Update

All (3) of the new water heaters were brought online and are in use. Installation of fire alarm panels began. Continued insulation and drywall work in the Office Addition. The mason finished work in the Fitness Addition and relocated scaffolding and tenting to the Office Addition area. Mechanical and electrical work continues on the lower level. Temporary fence in the parking lot was adjusted to accommodate the structural steel delivery and erection starting next week.

About Hoffman

Hoffman Planning, Design & Construction, Inc. is an integrated Total Project Management firm based in Appleton, Wisconsin. We partner with our clients to create innovative designs and build high quality, functional, attractive, energy efficient facilities at costs at or below projects delivered using traditional design and construction methods. Currently in our fifth generation of leadership, Hoffman continues to deliver the same expert service and superior value our clients have come to appreciate.
