

Construction Weekly Update

Week of January 20th, 2020

School District of Manawa

Set structural steel at Fitness Addition

Installed carpet at Elementary Board Room

Finishing drywall at Admin Addition

Installing masonry at Admin Addition

Update

The structural steel frame for the Fitness Addition was erected this week. At the Administration Addition, interior drywall finishing continued. Temporary partitions were built and new openings were created between the new addition and the existing HS office. Brick veneer was installed. Mechanical work included insulating ductwork and piping and installing new water lines. The electrician added supplemental crews in order to start pulling fire alarm wires throughout the school.

About Hoffman

Hoffman Planning, Design & Construction, Inc. is an integrated Total Project Management firm based in Appleton, Wisconsin. We partner with our clients to create innovative designs and build high quality, functional, attractive, energy efficient facilities at costs at or below projects delivered using traditional design and construction methods. Currently in our fifth generation of leadership, Hoffman continues to deliver the same expert service and superior value our clients have come to appreciate.
