September 30th, 2012

To all of my colleagues of the Manawa School District,

In my 14+ years of working at the school district, I have witnessed some wonderful developments that have stood on the foundation of the district being an institution of learning.

I have watched my own two children walk across the stage at Little Wolf High School Graduation and have become hard-working successful individuals, thanks to the staff of the district.

I have been very lucky to have worked with many wonderful and caring people and have made some very good friends and appreciate all everyone has done for me.

I'm putting in my official resignation of the Manawa School District. My last day will be on Friday, October 12th, 2012.

I wish everyone the best of luck.

Sally M. Raisler

Mr. Dombrowski,

I would like to ask for a meeting with the school board to discuss a possible reduction or to waive the \$4,500 I owe for the liquidated damages for the termination of my contract. If you could help set this up I would appreciate it. Thanks.
