

What have these events supported and what do they continue to support?

At this time money made from the **3 on 3 Tournament** and **Alumni Tournament** goes into the General Booster Club account controlled by the Booster Club. As far as basketball related items, it has helped paid for a High School Basketball video recording, viewing and stats recording system called Krossover. (\$400 of the \$800 needed) It has recently helped pay for shooting machine. (\$1300 of \$6200 needed)

Money made from the **Fall Saturday Camp** and the **Summer Day Camp** has been used to pay for the **JV/V High School Summer Basketball Leagues** which are offered free of charge. (\$240 for Marion and \$700 for Waupaca) No school associated account can pay for these leagues per WIAA rules. The money made from these events goes into a Basketball Booster Club account controlled by the Varsity Basketball Coach.

JV/V Training Sessions are offered free through the Booster Club and make no money. They are used to continue to develop skills used during the school JV/V basketball season.

7th-8th grade Tournament Team is offered at a cost close the tournament's entry fee. (Approximately \$80 per participant for 4 tournaments) Leftover money is minimal and used to purchase gift certificates for the volunteer coaches. (In the past these coaches have been the schools 7th and 8th grade basketball coaches.)The rest put in the Basketball Booster Club account.

Before 2017-18, **3rd-6th grade Central WI League** was offered with a one time at cost jersey fee of \$30 for the potential 4 years of playing. No money from registration fees was collected. In the future a fee will be associated with this league. Coaches and refs are volunteers, many times Varsity players help. Concessions for the years 2015 and 2016 made around \$250 - \$300 which was put in the Basketball Booster Club account.

The Basketball Booster Club account has paid the remaining yearly \$400 for Krossover. It has paid for a portion (\$1600) of a Shooting Machine. It has paid for HS practice jerseys, JV/V coaches' polo's, team pizza dinner at JV/V overnight Holiday Tournament, flowers for JV/V Parents night and camp/practice supplies (rolling storage tote, pinnies, skills men, sticky pads, flip scorer)

The Basketball Booster Club account has helped in providing a means in which to pay for items before payment is collected. Ie: camp T-shirts, JV/ V warmups, tournament fees, concession start -up money. It is available almost immediately and transferred electronically to personal accounts upon given receipts.
