

You are invited to a Community Listening Session!

Dear School District of Manawa Resident:

The School District of Manawa Board of Education is undertaking a comprehensive Site Analysis and Feasibility Study. The Board has hired Scherrer Construction Company and Hoffman Construction Company to assist them with this process. The goal of this process is to develop a long-range facilities/site plan and to update the academic plan. This is much like the process the community experienced in 2014 when community members gathered to develop the long-range mission and vision for the district.

Your voice needs to be heard in this important district process!

Please plan to attend one of the **Community Listening Sessions** listed below.

A listening session is a good way to get constructive feedback and share ideas on a common theme. The School District of Manawa would like to hear the community's point of view on:

- Strengths of the district's schools.
- Ways the district can continue to improve.
- The community's vision for the future of the district.

The discussions will include the academic programs, co-curricular opportunities, facilities, and sites. All district residents are invited to attend. The locations and dates/times listed below are repeating sessions.

Location	Date/Time
Manawa City Hall (larger meeting room)	Tues. May 16 at 9:00 a.m.
Town of Union Hall	Tues. May 16 at 11:00 a.m.
St. Paul's Lutheran Church (Fellowship Room- main floor)	Tues. May 16 at 6:30 p.m.
Manawa Masonic Center	Thurs. May 18 at noon
Bear Lake Resort	Thurs. May 18 at 4:30 p.m.
Kegler's Bowling Alley	Thurs. May 18 at 6:30 p.m.
St. Lawrence Hall	Mon. May 22 at 6:30 p.m.

Reservations are not needed for these listening sessions. Please direct questions to the District Office at 920-596-2525 to speak with District Administrator Dr. Melanie Oppor or feel free to contact any of the Manawa Board of Education Members.

Sincerely,

Melanie J. Oppor – District Administrator
