Re: Special Education Paraprofessional Recommendation – Marie Zirbel

This memo is to recommend Ms. Marie Zirbel for the special education paraprofessional position for the remainder of the 2018-19 school year.

Ms. Zirbel is currently fulfilling this position and is classified as a long-term substitute. The previous employee who held this position applied for and received, a leave of absence thus creating the reclassification of the position.

Previous work experience includes customer service occupations as well as previous experience working with individuals with physical and cognitive learning disabilities. Little Wolf Jr./Sr. High school special education teachers have been impressed by her attention to detail and the overall quality of her work.

I would request that since Ms. Zirbel returned to work on Wednesday, January 2nd, that she be compensated back pay at the rate of \$14.73 per hour. The position remains unchanged at an allocated 28.75 hours per week. She has applied for and received her Special Education Program Aide License through the DPI, and has completed her Non-Violent Crisis Intervention training (NVCi).

Ms. Zirbel was the only applicant for the position and I recommend her for this position without hesitation.
