

6th Annual Manawa Lift-A-Thon

Dear Parents of 2018-2019 2nd-7th Graders,

For the first time ever, we are looking to include our Youth into our annual Lift-a-thon! Instructions can be found below but we wanted to provide you with some background information up front. Each year the Manawa Athletic Booster Club puts this event on and the proceeds go 100%, without question, back into our local fitness facility within the high school! This event is our main source of funding for the development and improvement of our weight room. Without this event we would never have been able to afford the renovation, the 4 double sided racks, the 6 brand new bars, the full set of rubberized dumbbells up to 100 pounds, the new benches and much more.

The last few years our participation in this event has been stagnant. By increasing some of our focus on our youth we will surely increase participation numbers and marketing, since each youth who raises any money will get a complimentary T-shirt. This will also increase the interest and anticipation of our youth to start thinking about and looking forward to the training years soon to come. They will also be lending a helping hand in the improvements of the facilities they will eventually use.

Please fill out the following if your child plans to participate and your child will receive his/her shirt on the day of the event ***IF*** donations are made. This portion of the form must be turned in with shirt size, etc.. by May 23rd to assure your child a shirt!
