High School Band

CREATE
MP1.Cr.13.h - Design and develop musical compositions for voices or instruments.

- Students will take their semester 1 final project, a handwritten composition, and enter it on "Flat" online music writing software. They will then be able to play it back and listen to it. Students will go through the process of editing and altering music to their liking before final submission. The project will take approx. 3 weeks.

PERFORM
MP2.P.25.h - Rehearse and demonstrate the ability to sing and/or play expressively, on pitch, in rhythm, and with proper technique and maintaining a steady beat.

-Students will log and demonstrate their practicing skills and habits using the online video interface, Flipgrid.

RESPOND
MP3.R.16.h. - Analyze, critique, and evaluate musical performances, recordings, and compositions using appropriate music terminology, theory, and technology.

-Students will use their developed critical thinking skills to comment, analyze, and critique pre-recorded online musical performances or Ted Talks by using EdPuzzle as a platform.
