

# Construction Weekly Update

---

Week of November 11, 2019

School District of Manawa

Structural steel being erected

Structural steel ready for joist install

Steel joist install

Decking installed over steel joist

## Update

Structural steel was delivered and erected last week for the administration addition at the High School. We will now be able to start the exterior steel stud walls and getting the building enclosed. Foundation work continues at the fitness center addition in preparation for structural steel erection.

## About Hoffman

*Hoffman Planning, Design & Construction, Inc. is an integrated Total Project Management firm based in Appleton, Wisconsin. We partner with our clients to create innovative designs and build high quality, functional, attractive, energy efficient facilities at costs at or below projects delivered using traditional design and construction methods. Currently in our fifth generation of leadership, Hoffman continues to deliver the same expert service and superior value our clients have come to appreciate.*
