- sign the poll book**

****If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles.**

Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot.

Upon being permitted to vote, the voter shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward.

An election official may inform the voter of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

AT THE PRESIDENTIAL PREFERENCE VOTE

A voter may cast only one vote in the presidential preference primary.

Where Paper Ballots are Used

To vote for president, the voter shall choose the ballot of the party of his or her choice on which to vote. *If you vote in more than one party, your vote will not be counted.* On the ballot of his or her choice, the voter shall make an (X) or other mark in the square next to the name of the candidate of his or her choice or shall, in the alternative, make an (X) or other mark in the square next to the words "Uninstructed delegation," or write in the name of a person of his or her choice in the space provided for a write-in vote.

Where Optical Scan Voting is Used

Within the party of his or her choice, the voter shall fill in the oval or connect the arrow next to the name of the candidate of their choice or shall, in the alternative, fill in the oval or connect the arrow next to the words "Uninstructed Delegation," or write in the name of a person of their choice for a candidate in the space provided for a write-in vote and fill in the oval or connect the arrow next to the write-in line.

When using an *electronic ballot marking device* ("Automark," "ExpressVote," "Clear Access" or "ImageCast Evolution-ICE") to mark an **optical scan ballot**, the voter shall touch the screen or use the keypad to select the party of their choice. Within the party of their choice, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice or shall, in the alternative, touch the screen or use the tactile pad to select the words "Uninstructed Delegation," or type in the name of a person of their choice in the space provided for a write-in vote.

Where Touch Screen Voting is Used

The voter shall touch the screen at the party of his or her choice. Within the party of their choice, the voter shall touch the screen at the name of the candidate of their choice or shall, in the alternative, touch the screen at the words "Uninstructed Delegation," or type in the name of a person of their choice in the space provided for a write-in vote.

AT THE SPRING ELECTION

Where Paper Ballots are Used

The voter shall make a mark (X) in the square next to the name of the candidate of their choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote. On referendum questions, the voter shall make a mark (X) in the square next to "yes" if in favor of the question, or the voter shall make a mark (X) in the square next to "no" if opposed to the question.

Where Optical Scan Voting is Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided, and fill in the oval or connect the arrow next to the write-in line. On referendum questions, the voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question or fill in the oval or connect the arrow next to "no" if opposed to the question.

When using an *electronic ballot marking device* ("Automark," "ExpressVote," "Clear Access" or "ImageCast Evolution-ICE") to mark an **optical scan ballot**, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen or use the tactile pad to select "yes" if in favor of the question, or the voter shall touch the screen or use the tactile pad to select "no" if opposed to the question.

Where Touch Screen Voting is Used

The voter shall touch the screen at the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the questions, or the voter shall touch the screen at "no" if opposed to the question.

Spoiled Ballots

If a voter spoils a **paper or optical scan ballot**, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initiated by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

The voter may spoil a **touch screen ballot** at the voting station before the ballot is cast.

After Voting the Ballot

After an official **paper ballot** is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall deposit the voted ballot in the ballot box or deliver the ballot to an election inspector for deposit and deposit any unvoted ballots in the discard box. The voter shall leave the polling place promptly.

After an official **optical scan ballot** is marked, it may be inserted in the security sleeve, so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. Where a central count system is used, the voter shall insert the ballot in the ballot box and discard the sleeve or deliver it to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen ballot** is cast, the voter shall leave the polling place promptly.

The following is a sample of the official ballot: (Insert official Spring Election Ballot and Presidential Preference Ballot).

REFERENDUMS

NOTICE OF REFERENDUM STATE OF WISCONSIN APRIL 2, 2024

NOTICE IS HEREBY GIVEN, that at an election to be held in the several towns, villages, wards, and election districts of the State of Wisconsin, on Tuesday, April 2, 2024, the following questions will be submitted to a vote of the people pursuant to law:

2023 ENROLLED JOINT RESOLUTION 78

To create section 7 of article III of the constitution; relating to: prohibiting state and local governments from using privately sourced moneys or equipment in connection with the conduct of elections and specifying who may perform tasks related to the conduct of an election (second consideration).

Whereas, the 2021 legislature in regular session considered a proposed amendment to the constitution in 2021 Senate Joint Resolution 101, which became 2021 Enrolled Joint Resolution 17, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

Section 1. Section 7 of article III of the constitution is created to read:
[Article III] Section 7 (1) No state agency or officer or employee in state government and no political subdivision of the state or officer or employee of a political subdivision may apply for, accept, expend, or use any moneys or equipment in connection with the conduct of any primary, election, or referendum if the moneys or equipment are donated or granted by an individual or nongovernmental entity.
(2) No individual other than an election official designated by law may perform any task in the conduct of any primary, election, or referendum.

Section 2. Numbering of new provision. If another constitutional amendment ratified by the people creates the number of any provision created in this joint resolution, the chief of the legislative reference bureau shall determine the sequencing and the numbering of the pro-visions whose numbers conflict.

Now, therefore, be it resolved by the senate, the assembly concurring, That the foregoing proposed amendment to the constitution is agreed to by the 2023 legislature; and, be it further

Resolved, That the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday of April 2024; and, be it further

Resolved, That the questions concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

Question 1: "Use of private funds in election administration. Shall section 7 (1) of article III of the constitution be created to provide that private donations and grants may not be applied for, accepted, expended, or used in connection with the conduct of any primary, election, or referendum?"

Question 2: "Election officials. Shall section 7 (2) of article III of the constitution be created to provide that only election officials designated by law may perform tasks in the conduct of primaries, elections, and referendums?" EXPLANATORY STATEMENTS AS TO THE TWO QUESTIONS

Explanatory statement regarding Question 1:

The Wisconsin Constitution does not limit the ability of the state or local governments to receive non-governmental grants, funds, or equipment to assist in carrying out election-related responsibilities. Question 1 would add a new provision to the Constitution to prohibit the state or local governments from applying for, accepting, expending, or using such funds to assist with carrying out "any primary, election, or referendum." The question would appear to apply to any type of non-governmental grant or funding, no matter how general in scope.

A "yes" vote on Question 1 would vote to create a new provision of the Wisconsin Constitution—Wis. Const. art. III, § 7(1). That provision would prohibit a state agency or local government from applying for, accepting, expending, or using any non-governmental moneys or equipment in connection with the conduct of any election.

A "no" vote on Question 1 would vote not to add Wis. Const. art. III, § 7(1) to the Wisconsin Constitution.

Explanatory statement regarding Question 2:

Wisconsin statutes define and regulate how clerks can designate individuals to serve as election officials and carry out various tasks relating to elections. The Wisconsin Constitution does not separately spell out which individuals can do that work.

Question 2 would add a new provision to the Constitution to prohibit individuals from performing tasks related to an election unless they are an "election official designated by law." Under current statutes, clerks have the statutory power to designate individuals to carry out election-related tasks, and so such designated individuals could continue doing their work as an "election official designated by law." But that power is only statutory, and if the statutes changed, the new constitutional provision would bar clerks from designating individuals to assist with election-related tasks.

A "yes" vote on Question 1 would vote to create a second new provision of the Wisconsin Constitution—Wis. Const. art. III, § 7(2), which would prohibit an individual from performing election-related tasks unless they are an "election official designated by law."

A "no" vote on Question 1 would vote not to add Wis. Const. art. III, § 7(2) to the Wisconsin Constitution.
