Parent consent for management of health condition while at school or other school-sponsored activities

I, the parent/guardian of the above-named student, grant permission for designated school staff to follow this action plan and request that this action plan be used to guide the care of my child in case of a health care emergency. Furthermore, I agree to:

1. Provide the necessary supplies and equipment, including medication in the original, pharmacy labelled container.
2. Authorize the administration of medication and treatment of health condition per this plan.
3. Notify the school staff or school district nurse of any changes in the student's health status.
4. Notify the school staff and complete new forms as necessary for changes in orders from the student's health care provider.
5. Ensure this form is signed by the appropriate medical provider (provider who manages the medical condition).
6. Authorize the school nurse to communicate directly with my child's primary care provider or specialist regarding my child's health condition.
7. School staff interacting directly with my child may be informed about this health care plan.
8. Submit new forms annually if the health condition still exists or inform the school that the condition no longer exists and provide documentation of such if deemed necessary.
9. Hold without liability the School District of Manawa, its Board of Education, administration, and all employees and agents who are acting within the scope of their duties in all claims arising from the administration of this medication and treatment of this health condition, to policy at school.
