You will notice that in several cases brand names have been given for supplies. The reason for this is that after many years of using and purchasing school supplies, we have found the brands listed to be much more dependable and durable. We would greatly appreciate you trying to follow the list as closely as possible.

Separate tennis shoes for gym are not necessary as long as your child wears tennis shoes on gym days.

There may be other items that will come up during the year. If items are needed, we will include that in our weekly newsletter or send home a note asking for item(s)
